"EVERY MAN HAS A NEXT STEP."

The Necessary Steps:

Every man needs a vision, training and support to accomplish their vision which is sustainable over a life time. Next Step Ministries exists to help come alongside men in their faith journey through a relationship with Jesus Christ, the author, model and sustainer for maximized manhood.

Experiencing this vision requires intentionality to take a next step of faith that leads to Jesus and from Jesus. Fulfilling this foundational reality requires co-journeying with other men. Isolation in a man's life is a recipe for disaster for we are created in the image of a Triune God in deep relationship with each other. Men learn to understand how to fight life's battles courageously through the stories of other men lives.

Confusion is the core challenge to which every specific battle man encounters must be faced. The voice of confusion is heard through the questions men ask to accomplish the necessary problem solving in experiencing victories - voices which are familiar to every man that can cause us to lose heart.

"What" Questions:

- † Do I have what it takes to muster the courage to take the necessary next steps?
- † I don't know what to do. I feel afraid. I feel so alone. Does anyone truly know me?
- † Would they still want to know me if they knew what I was really like?
- † What difference am I making?

A man that doesn't face these questions through the Authors design faces serious consequences.

Fallout Includes:

- † Feeling of being trapped
- † Loss of respect
- † Addictions to help ease the pain-(pornography, substance abuse, excessive devotion to recreation and sports,)
- † Stress in the workplace
- † Marriage and family conflicts
- † Friendlessness
- † Anger and rage issues
- † Infidelity and Pride
- † Passivity
- † Shame, lack of purpose and a host of others.

Lasting Hope:

Lasting hope to experience victory in these battles is offered through Jesus' invitation; "Come to me, all you who are weary and carry heavy burdens, I will give you rest." Next Step Ministries is committed to creating healthy cultures of safety that is balanced with grace and truth. Our group's motto is "is that all you got?" Namely, as men honestly process their fears, shame and confusion their stock in the others men's lives goes up. Yet, growth in Jesus also requires our dependency upon subordination to His Word. God's Word will always return man to the place where reality can be experienced.

How Do You Do Life?

The question is asked "Men, how do you do life in the state of confusion?" Confusion requires clarity. Often it seems that God doesn't put a premium on clarity. It does however seem that he walks us through steps – The Next Step. A man in isolation is an accident waiting to happen. Next Step Ministry walks men through isolation to clarity in Christ.
