"... Every Man Has a Next Step"

“And we know that all things work together for good to those who love God, to those who are the called according to His purpose”

(Romans 8:28).

**Every man needs a vision,
training and support
to accomplish their vision ...**

Next Step Ministries exists to help come alongside men in their faith journey through a relationship with Jesus Christ, the author, model and sustainer for maximized manhood.

**Often it seems that God doesn't put a premium on clarity. It does however seem that he walks us through steps
- The Next Step.**

“... A man in isolation is an accident waiting to happen.”
